*Larry Huff*

*It has been such a pleasure having Larry Huff here at Campbellsburg. He is always happy and is kind to everyone he's around. Larry will go out of his way to help anyone in need, whether it is another one of his team members or someone that has just stopped by to shop or one of our vendors. He is always quick to help them out. If he is having a bad day he does not let it show. Larry always wears a smile and is always very polite to everyone he meets! He goes above and beyond to lend a helping hand. Larry is one of a kind we are very fortunate to have him we love having him as a part of our team. ~ Wilma Mullins, Campbellsburg HOP Shops Store Manager*
